ABOUT LEADERSHIP VICTORIA

Leadership Victoria is a community based, not-for-profit organization that provides emerging decision makers with opportunities to develop and practice leadership skills.

Working collaboratively with eminent leaders from all sectors, Leadership Victoria constructs and delivers a challenging, life-enriching nine-month action study program that identifies, motivates and hones the skills of emerging leaders. Through the rich sharing of ideas, experiences, resources and networks, current leaders pass the torch of leadership to participants who in turn become informed, active citizens and well rounded contributors to the community.

Since its inception in 2000, the program has graduated 179 participants whose legacy has been 32 community action projects.

Leadership Victoria is able to inspire and engage participants because of the significant gift of volunteer time from our Program Committee and Team Coaches. We thank them along with all other volunteer Committee Members, Mentors and our Board of Directors. We continue to appreciate the 120+ volunteers who make our community leadership training program a reality through volunteerism.
